

Acceleradora
Arquimedes

UAB emprèn

Accelera la teva startup

L'Acceleradora Arquímedes s'adreça en exclusiva a les EBTs i spin-offs de la UAB, oferint eines i sessions especialitzades per al seu creixement i per a l'escalatge del seu model de negoci. Durant dos mesos, d'octubre a desembre, tindran lloc workshops especialitzats, sessió de talent, mentories, i un fòrum d'inversió.

Es tracta d'una iniciativa de la UAB emmarcada dins de l'estratègia d'emprenedoria UAB Emprèn i liderada des de la unitat UAB Startup.

Mentories

- **Mentoria en negoci i creixement: producte, vendes, finançament i equip**

Bart Huskein

Well rounded visionary serial entrepreneur, CEO, consultant and Non Executive Director (NED) with 25+ years of industry experience in among others MedTech, Biotech, SaaS, AI, IoT, Telecom, Wireless and Consumer devices setting up new companies and business units from scratch and leading these up to 100 employees. Former executive and intrapreneur at Ericsson.

Extensive experience leading teams in various settings (startup, growth and downsizing), strong understanding of business models, business environment, customer discovery, international sales, regulatory requirements, go to market, execution, employee engagement financing and corporate governance. He is Jury member for the European Innovation Council (EIC) Accelerator, and he is also associate professor at EADA Business School.

- **Mentoria desenvolupament negoci i màrqueting estratègic**

Cristina Moyano

Passionate about the start-up ecosystem and how new technologies are transforming the world, with an educational background in Business and Marketing; Cristina has over 15 years' experience, 8 as a strategic consultant and the past 7 focused on entrepreneurship. She was part of the founding team of an accelerator, Endeavor Spain, where she built the Search, Selection and Services department. Cristina has worked mainly in Spain and US and has been recognized for her ability to lead and help different size companies manage their growth through business development activities, access to funding and new markets, designing and implementing marketing & business strategies and building bridges between corporates and start-ups. For the past four years and a half she has been managing investments at Amadeus Ventures, the start-up investment program of Amadeus IT group. She is currently leading transformation management within the distribution business line at Amadeus IT Group. She also collaborates as a professor, mentor and jury in IE Business School.

- **Mentoria en estratègia financera**

Jorge Tejero

Experienced finance and consulting professional with a focus on financial management and strategic decision-making. In recent roles, he has held key positions in the finance departments related to the startup sector.

At Delvy SL, a startup consulting firm specializing in M&A, he served as the M&A Manager and Interim CFO. He was responsible for securing private capital financing for startups (VC and Banks), and executing M&A transactions on both the buy-side and sell-side. Additionally, He acted as an interim CFO for three companies, providing financial leadership and support. With a strong background in finance and consulting, coupled with my comprehensive education, I possess the skills and expertise necessary for effective financial management and strategic decision-making in diverse industries.

- **Mentoria en aspectes de fiscalitat avançada**

Marta Puig

Marta studied Business Administration and Management at ESADE and specialised in her final year in Tax and Financial Law thanks to the AGT master's degree taught at the same school. She began her professional experience at PriceWaterhouseCoopers in the tax area and she has worked in different law firms, always as part of the tax teams. While she was working, she studied law at the Universitat Abat Oliva – CEU. Marta has extensive experience in providing tax advice to clients, mainly legal entities, in the different areas of tax law in various sectors. These include the pharmaceutical sector (industry), pharmaceutical distribution, metallurgy, retail, culture, and leisure, among others. The main areas of advice are: (i) tax restructuring operations of family businesses / multinational groups; (ii) tax inspections and tax litigation; (iii) special tax consolidation regime. She carries out her professional practice in Durán-Sindreu law firm, as a partner and head of the tax department, and combines this practice with university teaching. Currently teaching at the Barcelona School of Management (UPF-IDEC), the Instituto de Estudios Financieros (IEF), and the Universitat Pompeu- Fabra.

- **Mentoria en estratègia d'IP**

Gustavo Fuster

He's associate at Hoffmann Eitle. He holds a Degree in Pharmacy from the Complutense University of Madrid and an MBA at Aliter. He studied Law at the Spanish National University of Distance Education (UNED). He obtained the title of Spanish Industrial Property Attorney in 2007, the title of European Patent Attorney in 2008 and the CEIPI Diploma in Patent Litigation in Europe in 2011. In the past, he held the position of Business Development and Patents Manager at the biotechnology firm Genetrix Corp from 2002 to 2005 (gaining experience in the field of monoclonal antibodies and adult stem cell technology). He was Patent Manager at a Spanish patent attorney firm from 2005 to 2009. He was Director of the Technology Transfer Office of the Andalusian Public Healthcare System from 2009 to 2011 (practical experience in Spanish civil, administrative and commercial law, and in advanced therapies (stem cells and tissue engineering, nanotechnology and gene therapy). And, he joined Hoffmann Eitle in 2011.

- **Mentoria en aspectes legals i mercantils avançats**

Adriana Lafuente

Adriana studied Law at the Pompeu Fabra University and completed the Master in International Business Law at ESADE. She began her professional experience within the banking and corporatelaw area at PriceWaterhouseCoopers, later joining the corporate team of Garrigues, where she expanded her experience in this area of Law. She is currently partner and director of the Corporate Area of Durán-Sindreu. Adriana has extensive experience in advising on M&A transactions, project finance and debt restructuring, corporate governance, business reorganizations, elaboration and negotiation of national and international agreements, as well as in regulated markets. She is a non-board secretary of an entity listed on BME Growth and regularly attends, as an advisor, board of directors' meetings of different companies.
