Sustainability

Carrying on the work started with ADLAB (2011-2014) which resulted in European strategic recommendations for audio describers.

Goal

Creating training materials

- free & open-access
- flexible
- modular
- customisable

to be used to train audio-describers both in academic contexts and in professional (in-house) contexts.

Intellectual outputs

- Working activities to be accomplished over a precise timeframe leading to tangible results.
- 6 IOs

Intellectual outputs

- **O1**: Gathering EU best practices.
- **O2**: Defining audio-describer competences.
