

EASIT Multiplier Event 6

Workshop: Audiovisual Journalism and Easy-to-Understand Language

RTV Slovenija

June 14th, 2021

Ljubljana

Online event

Aim of the workshop: At the last multiplier event of the EASIT project we will focus on audiovisual journalism in easy-to-understand Language. How to produce news in E2U? What knowledge do the journalists need? What are the users' expectations and needs? We will try to answer these questions with different discussions with experts in audiovisual journalism, easy-to-read or plain Language, experts who work with end users and end users themselves.

Duration: 2 hours.

Platform: online platform (Arnes).

Target participants: journalists, linguists, translators, captioners, audio describers and experts in easy language as well as trainers and lecturers in both vocational and academic contexts.
