## December 2018

Dear APAC members,

Just a few updates before we all get the chance to disconnect for a few days and enjoy the winter break with family and friends - and mince pies.

### APAC's TRAINING OPPORTUNITIES

Thanks to our great trainers and enthusiastic audience, the sessions **Communicate, Innovate & Create in ELT**, organised along the **Consorci d'Educació de Barcelona**, **Trinity College London** and **Associació de Mestres Rosa Sensat** were a very promising start to what we hope will be a long-lasting tradition in APAC's training events.

Keep your eyes peeled for more news regarding **APAC'S ELT CONVENTION 2019**, which will run between January 31st and February 2nd at UPF Barcelona with the motto **Release your inspiration**. In this edition of APAC's annual convention, you will be spoilt for choice, with **Jamie Keddie delivering the opening talk on Thursday**, and many other great presenters such as **Christopher Foreman, Robin Walker, Dolors Masats, Paul Dummett, Annie MacDonald, Suzanne Davies, Mark Hancock...** for three days of **battery charging and out-of-the-box thinking**.

Want to attend? Register at [www.apac365.org](http://www.apac365.org)

And after winter comes spring, when you can get your fix with some sessions along our partners at the **British Council**. As if that weren't enough, we're already planning our **summer training courses** in collaboration with the **Departament d'Educació**. Wow, we're already ticking away at our new year's resolutions ;)
