

CHATTERPIX ACTIVITY

The purpose of this activity is to make a photo (or a drawing) of an object talk!

ChatterPix

SCAN ME

STEP BY STEP!

Step 1 – Open the Chatterpix App.

Step 2 – Take a picture or get one from the gallery in your device. You can also make a drawing and take a picture of it!

Step 3 – Draw a line on the object to create a mouth.

Step 4 – Record your voice! Remember you only have 30 seconds.

Step 5 – Add stickers if necessary or desired.

Step 6 – Save your project into the camera roll.

ENJOY IT!!
