

# FLIPGRID ACTIVITY

The purpose of this activity is to create a short video in response to another video!

## STEP BY STEP!

- Step 1 – Download the App “Flipgrid” and open it.
- Step 2 – Register as an “Educator”.
- Step 3 – Create a “Grid”. A grid is a classroom.
- Step 4 – Assign a Flip Code to your grid.
- Step 5 – Create a topic with an assignment or a conversation.
- Step 6 – Record your video; take a selfie to customise it, name it, and upload it on the web.
- Step 7 – Share it with your students. They will use the Flip Code automatically generated to join the app.
- Step 8 – Ask your students to watch your video and click on “REPLY” to record and customize their video response.
- Step 9 – Ask your students to post their responses!

ENJOY IT!!!
