## ABCD STUDY - PHASE 1 - SABADELL HOW CAN FAMILIES PARTICIPATE?

3

#### Read the leaflet

In the leaflet you will find more information about the study.

# Decide which member of the family will provide the details

The participation of a person who has been the main caregiver of the girl or boy in the last six months is required.

### RECOMMENDED OPTION!

### **ONLINE FORMAT**

### Access the QR code, read and sign the consent form

Read the consent form carefully before deciding to participate in the study.

#### **Contact Details**

Fill in the contact details and consent form.

#### Answer the questionnaires

The questionnaire includes questions about aspects of the girl or boy's personality and behavior (approximately 15 minutes).

#### **Recording the data**

Using this method, nothing needs to be sent. Everything will be recorded on the REDCAP virtual platform (a tool that guarantees data security).

Choose the most appropriate format for providing consent and contact information, and answering questionnaires.

### PAPER FORMAT

### Read and sign the consent form

Read the consent form carefully before deciding to participate in the study.

#### **Contact Details**

Fill in the contact details and consent form .

## Answer the questionnaires

Questions about aspects of personality and behavior of the girl or boy (approximately 15 minutes).

#### Send the information

The girl or boy will take the sealed envelope to their teacher in their school bag.

Once your authorization is received, we will contact the teacher or school tutor.

**PARTICIPATION IS VOLUNTARY AND ANONYMOUS THROUGHOUT THE**
