Eylbid is a Strategic Partnership of 5 higher education institutions and 1 company cofunded by the Erasmus+ Programme of the EU.

YOUNG LANGUAGE BROKERING

We have focused on Young Language Brokering, i.e. translation and interpreting tasks that many young people from migrant families have to do on a daily basis.

OBJECTIVES

To have a better understanding of language brokering by young people across Europe.

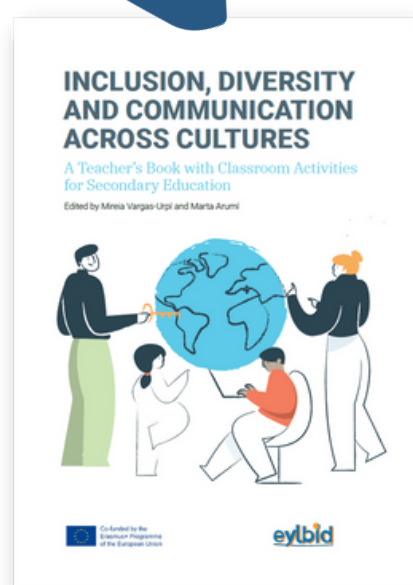

1

To propose a set of **guidelines** for child and young language brokering in Europe.

To design **activities** related to language brokering to be included in high schools' curricula.
