

Celebrating Multilingual Creativity: Drama and Translanguaging in the Additional Language Class

Jenna Nilson, University of Warwick, Regne Unit.

Jenna Nilson is a PhD researcher and *Chancellor's International Scholar* recipient at the University of Warwick, UK. Her research focuses on performative methods of language teaching and translanguaging as inclusive approaches of additional language education for migrants and refugees. She holds a Masters in Fine Arts in Theatre for Youth and Communities from Arizona State University where she led arts-based workshops in collaboration with schools and community centres.
