Poster Guidelines for the Conference
"Terra, territori i població a la Grècia antiga: aspectes institucionals i mítics"
UAB, 23-25 October 2013

1. Format.
Posters will be in A0 portrait format (841 x 1149 mm).

2. Fixed elements of the design.
The headers and footers of the posters follow a standard design, which should not be altered. The header contains the poster title and the conference logo. **Header height is 132 mm**. The footer contains the names of the author(s), institute, and email as well as the Congress logo on the right. **Footer height is 67 mm.**

Both logos will be found at:

3. Typography.
The prescribed font type for text in the Latin and Greek alphabet is Palatino, which is available on almost all computers and is recognised for its excellent legibility. The following font sizes and interlinear gaps are fixed:

Poster Title in the header:
Palatino Bold, font size 80 pt, interlinear space 102 pt

Subheadings in the text:
Palatino Bold, font size 30 pt, interlinear space 34 pt

Continuous text:
Palatino Roman (Regular), font size 22 pt, interlinear space 34 pt

Picture captions/explanatory text/marginalia:
Palatino Italic font size 20 pt, interlinear space 34 pt

Author's name etc. in the footer:
Palatino Bold: font size 30 pt, interlinear space 34 pt
