The social capital of Spanish youth: Traits and effects on the material and emotional well-being

Research team: Joan Miquel Verd Pericàs, Mireia Bolibar Planas, Joan Rodríguez Soler, Albert Navarro Giné.

Period: 2022-2023.

Funder: Fundación La Caixa.

Reference: FS22-1B044.

Led by the [QUIT](#) research group, this study characterises the social capital of Spanish youth, analyses its effects on material and emotional well-being, and identifies the social inequalities at play.
