

EDITOR'S CORNER

Automation and Nanotechnology Special Issue Part II

This issue of the *Journal of Rapid Methods and Automation in Microbiology*, Volume 15 Issue 2, is dedicated to the memories of all the victims of the tragedy that occurred at Virginia Polytechnic University in Blacksburg, VA on Monday, April 16, 2007.

May such a tragedy never happen again on any campus anywhere on earth.

DANIEL Y.C. FUNG
Editor and Director of the workshop
