

Custom Solutions

COME TO THE EXPERTS TO GET YOUR
OBJECTIONABLE MICROORGANISMS IN THE
EXACT CONFIGURATION YOU NEED.

YOUR STRAIN

Send your environmental isolate or objectionable microorganism to Microbiologics; our team will professionally preserve the strain and create a product for your QC testing needs.

YOUR FORMAT

Based on your packaging preferences and target concentration for quantitative products, we will design an easy-to-use, convenient QC microorganism product. Made to your specifications, with your unique microorganism strain.

YOUR CONVENIENCE

Your custom-designed product is then shipped, as needed, to your testing location(s) throughout the world. Your lab will save a tremendous amount of time, labor and money.

Custom Solutions

— COUNT ON US —

Our company was built on custom solutions. For over 15 years, companies around the world (including Fortune 500 Companies) have depended on us to add safety, accuracy and convenience to their Quality Control testing programs.

FEATURES:

- Supported by highest quality credentials in the industry
- **Qualitative** and **quantitative** QC microorganism preparations available
- Many easy-to-use formats, **including instant dissolve**
- Quantitative products are customized to your desired concentration
- Simple, reliable QC testing
